October 2017

Dear Friends:

Each year, in the City of Cohoes, we honor two outstanding people by presenting them with a Care Award in recognition of their unique contributions to our community. Counseling Care and Services and the City of Cohoes are joining together again to make this Annual Awards Reception an even more meaningful event for this year's recipients.

The Care Awards 2017 Presentation and Reception will be Friday, November 3, from 6:00 p.m. to 8:00 p.m. at the Ukrainian-American Citizen's Club, 1 Pulaski Street. We are looking forward to seeing many past honorees, friends and family present. Your coming to congratulate this year's awardees in person will make this a truly special occasion for all.

Since 2004, there have been two Care Awards presented each year to outstanding individuals and organizations in our city. The awards this year are again well deserved. The Distinguished Service Care Award 2017 will recognize Mr. Cliff Bird, Principle at Abram Lansing Elementary School, for his many accomplishments of service and care to the greater Cohoes community and the Cohoes School District. The recipient of the Compassionate Care Award 2017 is Mary's Corner whose members have shown compassion and care with providing assistance to children and those in need within our community.

Please return your Reservations and any Enclosures as appropriate by Saturday, October 28, to Counseling Care and Services. We and our honored special guests are looking forward to seeing you on Friday, November 3.

Sincerely yours,
